# *The Writing Process*

***Match the steps of the writing process with the correct description.***

| |
|---|
| ***Editing, Prewriting, Publishing, Revising, Drafting*** |

***1) _____ Create a rough draft that will later be improved on. Organize your ideas into sentences and paragraphs.***

***2) _____ Write a final copy of your corrected writing. Get ready to share a copy with your readers.***

***3) _____ Review and improve your draft. Make changes or additions in word choice and organization.***

***4) _____ Choose a topic. Brainstorm and organize ideas. Collect information.***

***5) _____ Make corrections to spelling and grammar. Reread each sentence to ensure that they make sense.***
