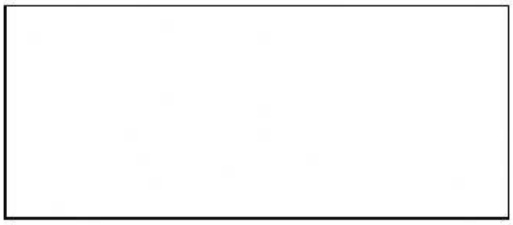
It's second nature to walk home
Before the sun goes down
And put your keys between your knuckles



Doing anything to shut them out
We smile, a way to ease the tension
So it don't go south

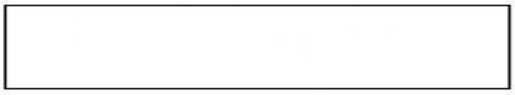
No, the kids ain't alright
Oh, and they do what they see
Because it's all on TV
Oh, the kids ain't alright

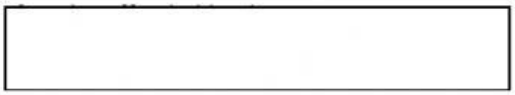
Boys will be... boys will be...
Boys will be... boys will be boys
But girls will be women
Boys will be, boys will be
Boys will be, boys will be boys
But girls will be women

Around to save the day
And that was sarcasm
In case you needed it mansplained
I should've stuck to ballet

Oh, and they do what they see
Because it's all on TV
Oh, the kids ain't alright

Boys will be, boys will be
Boys will be, boys will be boys
But girls will be women





Boys will be, boys will be

No, the kids ain't alright
Oh, and they do what they see
Because it's all on TV
Oh, the kids ain't alright
(Chorus)

When will we stop saying things Because they're all listening? No, the kids ain't alright	If you're offended by this song You're clearly doing something wrong	Boys will be, boys will be Boys will be, boys will be boys But girls will be women
Boys will be, boys will be boys But girls will be women When will we stop saying things Because they're all listening?	When there's boys around Isn't it funny how we laugh it off to hide our fear When there's nothing funny here?	If you're offended by this song Then you're probably saying
Sick intuition that they taught us So we won't freak out We hide our figures	But there's nothing funny now When will we stop saying things Because they're all listening?	I'm sure if there's something That I can't find the words to say I know that there will be a man
