Lesson 5

Song

1 Listen and match. Then sing.

6x4=24

The School For Young Detectives

At the School for Young Detectives,
We have English just like you.
Art, math, geography,
Computer studies, too.

At the School for Young Detectives,
We have science and P.E.
We don't have time for recess,
We're finding clues you see.

At the School for Young Detectives,
We have Spanish and history.
We don't have time to eat our lunch,
We're solving mysteries.

2 Listen and say the chant.

Spanish at school, Spanish at school.
We have Spanish at school today!
