My Vacation

My family and I went on vacation to Lake Huron. The water is **1.**_____ there, and the sand is nice and white. The week that we were there was very hot. The sun was hot, but the water was still very cold. I **2.**_____ and tried to catch little fish in my hands. I was careful not to **3.**_____. We stayed at a hotel that had a pool and a game room. I played pinball and video games sometimes. I liked to swim in the hotel pool, but I liked **4.**_____ better. I would lie on a big beach towel and get warm, then I would jump in the water and **5.** _____. Sometimes I would just lie on the sand and watch the waves roll up on shore. I found some seashells, and saw a crab walking on the sand. At first I was a bit lonely because I didn't know anyone there. It wasn't long before I met some other kids my age. We **6.**_____ together and swam in the lake. The other kids were from different towns, so we told each other stories about our schools and friends. We found that we had a lot in common even though we were from different places. Our families got together and went to **7.** _____ together. We played volleyball on the beach, and we sat around **8.** _____ at night and sang songs. At the campfire we would roast marshmallows on a stick. I always burn my marshmallows. That is okay. I like them that way. Mostly we just swam in the lake until we were **9.** _____. I was sorry when our vacation was over. I had a good time at Lake Huron. I met some very **10.** _____ there. We still write to each other. Maybe we'll see each other next summer.
