This is a place where visitors to Sydney, Australia, must go: the Sydney Opera House. It's one of the most famous buildings in the world. One reason it's famous is because it looks very **unique**. It was designed by an architect from Denmark named Jørn Utzon. The building opened on October 20th, 1973.

It's a special kind of theater called a performing arts center. There are seven different theaters inside the building. Together they put on more than 1,500 shows every year. Each year, the Sydney Opera House gets more than 8.2 million visitors.
