Write your answer in 220–260 words in an appropiate style.

Which subjects should no longer be studied at school?

- history
- mathematics
- arts and crafts

Some opinions expressed in the discussion:

«We must learn History to avoid making the same mistakes over and over»

«Maths is not useful for people's daily lives»

«Art and music can help shape people's minds in very positive ways»

Write an essay discussing two of the points in your notes. You should explain which one is more important, giving reasons in support of your answer.
If you wish, you may use the opinions expressed in the discussion, but you should use your own words as far as possible.

You recently attended a cooking course aimed at inexperienced cooks, where they explained the basics of cooking and a few simple recipes to help beginners start cooking homemade meals. The organisers have asked you to write a review, in which you should outline the main aspects of the course, evaluate whether it was suitable for amateur cooks and identify some potential ways the course could improve.

Write your review.
