VOCABULARY Internet nouns and verbs

1 EP **Look at the words in the texts on page 60. Find six nouns and six verbs.**

SIX GREAT WEBSITES FOR TEENAGERS

A EcoCentral

This site is all about looking after the Earth. There are facts about different animals as well as information about forests, deserts and oceans. You can upload your own videos onto the site for everyone to see.

B TeenPress

This is one of the best sites on the web for teenagers who love writing. You can share your work with others, and there is a message board where you can chat about things that are important to you.

C ChannelTwenty

On this site, you can watch a daily news programme and search for information about big news stories. There are also videos on different subjects, articles about famous bands, games and competitions. The app is free and works on all kinds of smartphones.

D ScienceZone

There's lots of information on this site about maths, chemistry and biology. You can 'visit' some of the world's most famous museums and watch wildlife via webcams. There are also some very cool games, such as Save the Planet.

E Tune-in

There are millions of songs on this site for you to download or listen to online. You can save your favourite songs in your own list. If you're in a band, you can record your music and upload it. The website is large, but the menu is easy to use. The app that goes with it is excellent.

F Inside-the-cover

Finding out about your favourite writers is easy on this site. There are lots of interesting articles and information about the latest books. You can read blogs by well-known writers and post questions and messages to them. There are links to other sites too.

LIVEWORKSHEETS
