Miami for the family!

Miami offers many options for tourists. It is a big city. There are luxury mansions and hotels. There are a lot of modern cars in the streets. There are attractions for all the family. People go to the beach in the morning and afternoon. There are beautiful beaches with white sand. Families can walk along the beach and have picnics on the beach. Crandon Park Beach has got a lagoon-like beach, so it is really safe for children.

They can swim in the sea.

On rainy days, families can go on excursions. There are tours of the city. You can see mansions and visit shopping centers (they are called 'shopping malls' in Miami). There are family-friendly excursions too.

The whole family can visit wildlife areas. Children can enjoy a visit to Everglades National Park. There are 14 rare and endangered species, including the American crocodile, the Florida panther and the West Indian manatee. The park has got tropical plants and a lot of different birds live on the trees. Parents can go canoeing or go walking with guides. There are also boat tours.
