Hi, my name's Lara. I'm not nine years old. I'm eight years old. My birthday is in April. I live with my mum, my dad and I've got a brother. His name's Leo. We've got a dog. Its name's Megan. It's small and brown. It's got a blue ball and it likes playing with it. But it's raining, so we aren't playing now.

My mum is a dentist. She's thirty-seven years old. She's tall and she's got long blonde hair. My dad's a police officer. He isn't thirty-seven years old. He's forty-one. He's got big light-blue eyes and a big mouth. My mum and dad are very nice. They are always happy. They aren't from Argentina. They're from Italy, so they can speak Italian.

My brother isn't Italian. He's from Argentina, like me. He is eleven years old and he's very good at playing tennis. I'm not good at tennis, but I'm excellent at cooking. My favourite food is salad. I like tomatoes and carrots, but I don't like lettuce.
