Arabic coffee or (Gahwa) is a very important drink in Saudi Arabia and in the Arabian Gulf countries. Preparation, serving and drinking Arabic Coffee are derived from Bedouin hospitality. Usually, guests are served with Arabic coffee and dates

It is all about tradition, hospitality and ceremony. It's a sign of welcome and marks the beginning and the end of a guest's visit.

It can be served anytime at home, at social gatherings or business meetings. The coffee is served and received with the right hand. The host serving the coffee fills the small cup only half full. As soon as the guest drinks it, the cup is refilled continually until the guest gently jiggles the cup indicating ***he*** has had enough ,it is customary to take 2 to 3 cups. Sugar and milk are not added but it is often served with dates.The trees that produce Arabic coffee can measure over three meters in height.
