WHO KNEW

You **took take** my hand
You showed me how
You **promise promised**
me you'd be around
Uh-huh, that's right
I took your words and I **believed believe**
In everything, you **say said** to me
Yeah, huh, that's right

If someone said **three four** years from now
You'd be long gone
I'd stand up and **bunch punch** them out
'Cause they're all wrong
I know **better matter**
'Cause you said forever and ever
Who knew?

Remember when we were such **mules fools**
And so convinced and just too **cool bull**
Oh, no, no, no
I wish I could **catch touch** you again
I wish I could still call you friend
I'd **give move** anything

When someone said count your blessings now
'Fore they're long gone
I guess I just didn't know how
I was all **right wrong**
They knew better
Still you said forever and ever
Who knew?

Yeah, yeah
I'll keep you **booked locked** in my head
Until we meet again
Until we, until we meet **again insane**
And...
