MICHAEL JACKSON – MAN IN THE MIRROR

I'm gonna make a change
For once in my LIFE / LOVE
It's gonna feel real good
Gonna make a difference
Gonna make it FINE / RIGHT

As I, turn up the collar on
My favorite winter coat
This wind is blowing my FACE / MIND

I see the kids in the streets
With not enough to eat
Who am I to be blind?
Pretending not to BE / SEE their needs

A summer disregard, a broken bottle top
And a one-man soul
They follow each other on the wind ya' know
'Cause they got nowhere to GO / FOR
That's why I want you to know

( ) I'm starting with the man in the mirror
( ) If you want to make the world a better place
( ) I'm asking him to change his ways
( ) And no message could've been any clearer
( ) Take a look at yourself, and then make a change

I've been a victim of a selfish kind of love
It's time that I realize
That there are some with no home, not a nickel to loan
Could it be really me, pretending that they're not
ALONE / ALIVE?

A willow deeply scarred, somebody's broken heart
And a washed-out dream
They follow the pattern of the wind ya' see
'Cause they got no place to BE / BRING
That's why I'm starting with me

( ) I'm starting with the man in the mirror
( ) If you want to make the world a better place
( ) I'm asking him to change his ways
( ) And no message could've been any clearer
( ) Take a look at yourself, and then make a change

( ) I'm starting with the man in the mirror
( ) If you want to make the world a better place
( ) I'm asking him to change his ways
( ) And no message could've been any clearer
( ) Take a look at yourself, and then make a change

I'm starting with the MAN / GUY in the mirror
(Oh yeah!)
I'm asking him to CHANGE / CHANCE his ways
(Better change!)
No message could've been any clearer

If you want to make the world a better PLACE / SPOT
Take a look at yourself and then make the change
You gotta get it right, while you got the time
You can't close your, your mind!

That man, that man (With the MAN / GUY in the mirror)
That man, that man (Oh, yeah!)
That man, that man (I'm asking him to CHANGE / CHANCE his ways)
That man (Better change!)

No message could've been any clearer
If you want to make the world a better place
Take a look at yourself and then make the change

- Who is the "man in mirror" he talks about?
- Do you believe that for us to change the world we need to start with ourselves?
