

3rd JUNIORS MONTHLY MOCK EXAM 2021
GOLD EXPERIENCE A2 (STARTER, UNIT 1)

1. READ THE TEXT.

My mum

My mom works at a restaurant. She's an excellent chef. We moved to the city centre, the restaurant is only two blocks away from home now. My mum's hobby is cooking even though she cooks all day long. On Sundays, we cook at home and try new recipes! It's so fun!

My sister, Sophie

Our house is so quiet. My sister Sophie studies every day in the kitchen. She wants to be a chef like our mum! She studies with mom's books and she is always trying new recipes. She also sells cakes to friends and family but she doesn't earn much. Sometimes, she does it for free!

My brother, James

I love to dance and sing but my brother James is the artistic one in the family. He wants to be an actor. He is taking classes online but in the meantime, he performs at home! Yes, he prepares the stage in the kitchen! He even has costumes! He wants to make money from this hobby. I hope he can become a star because he is already awesome!
