"Set Fire to The Rain"
ADELE

A

I let it fall, my heart
And as it fell, you rose to claim it
It was dark, and I was over
Until you kissed my lips and you saved me

B

My hands, they were strong
But my knees were far too weak
To stand in your arms
Without falling to your feet

C

But there's a side to you
That I never knew, never knew
All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win

D

**But I set fire to the rain
Watched it pour as I touched your face
Well, it burned while I cried
'Cause I heard it screaming out your name, your name!

E

When I lay with you
I could stay there
Close my eyes
Feel you here forever
You and me together
Nothing is better

F

'Cause there's a side to you
That I never knew, never knew
All the things you'd say
They were never true, never true
And the games you'd play
You would always win, always win

**

***

G

Sometimes I wake up by the door
That heart you caught must be waiting for you
Even now, when we're already over
I can't help myself from looking for you
