Predictions

Read each passage and choose the best prediction.

It was a hot summer day and Kyle had just bought a popsicle from the ice-cream man. As he was about to open the popsicle his mom called him in the house to talk about his report cards. Kyle put the popsicle down on a bench outside his house and went to talk with his mother. Twenty minutes later he came back outside to get his popsicle. Some clouds had moved and now the sealed popsicle was sitting directly in the sun. Kyle picked up the package and...

Prediction:

Nick opened his To-do list in Google Classroom and saw many assigned activities. He didn't want to spend a lot of time doing them, so he thought in doing everything quick and skip a few ones. First, he opened his Math assignment and turned it empty without even opening the attached worksheets. In Language Arts, he opened a couple of worksheets and answered half the page of each and turned them in. In UOI, he had to read an assignment, but he didn't and just marked it as done. On Friday, Nick had a test for each subject. During each test, Nick...
