6. Read the text below and answer the questions:

School basketball star Jake Parry, aged 16, is in hospital after a fire at his home in Park Road last night. The fire started when an electric heater in Parry's living room caught fire. The family were all asleep in bed, but the smoke alarm

woke Jake up. He called the emergency services and then woke up his parents and his sister, Jenny, aged 8.

The fire brigade saved the family from the house and the paramedics took Jake and his family to hospital. Jake's parents and sister have already gone home and Jake will be out of hospital later today. Firefighter Bill Sanders said Jake was very courageous. "He had a fast reaction and saved his family. Jake told reporters that he was happy to go back to school to play in an important basketball match on Friday.
