Dear Louis,
I have just read your letter and I'm so excited about the great news. I'm really happy you have made your dream come true. An art gallery is what you have always wanted since high school. I hope I can visit you soon and see all the great ideas you have had to start your new business. I have not asked you yet: Have you already contacted some artists? I have a friend in your city who may be interested. She has already worked as a graphic designer for a long time and her digital art has been shown in some famous galleries. Her artwork has been influenced by Andy Warhol, the creator of Pop Art, and it is amazing.
I have not talked to her since last summer, but I can call her if you are interested. Let me know.

Well, I'll talk to you soon and congratulations on this new project!
Love,
Camila
