LISTEN TO THE SONG AND COMPLETE THE LYRICS. Let's practice the /l/ sound

JUSTICE (Sevana)

[Verse 1]:
They're putting up borders
Splitting the Earth into worlds
So, if I belong to the third world
That means that the first pays more fruit

[Verse 2]:
So selfish with what we have
And not really mindful of who
Will suffer and so we
Continue to tear down our brood

[Verse 3]
Never ever thinking long term
Always thinking of what we can earn now
If you're asking what your life is worth
What will you answer as you litter the ground

Chorus
The Earth will serve us justice
Will outlive you and me
With every storm you know there's justice
The sea washes the street

[Verse 4]:
Why do you curse the place that serves you
What makes you think that we're supreme
No amount of money will protect you
From all the energy we steal

[Verse 5]:
The Earth will serve us justice
Don't have to choose to believe
We all think that we're so mighty
Well, if we cannot see we feel

[Verse 6]:
Polluting our waters
And putting the poison in food
Everything made to
Sell so we don't hear the truth

Verse 3
Chorus
Verse 4
Verse 5

Ooh it will rain down fire and storm
That is when what we do will catch up
Will catch up, will catch up
Not until the end has come
And all life is running out
Will we believe because then we'll see

Chorus
Verse 4
Chorus

No amount of money will protect you
From all the energy we steal
No amount of money will protect you

Chorus
Verse 4
Verse 5

The Earth will serve us justice
Will outlive you and me

LIVEWORKSHEETS
