A Nation's Entrepreneurial Vision MAZE Task

Name:

Class:

Vision 2021, the UAE's national agenda, puts 1. ( on, in, over ) place plans and strategies for the success of the country. One particularly 2. ( key, open, lock) element that is focused on is entrepreneurship; this shows the 3. ( competition, celebration, commitment ) of the leaders to supporting entrepreneurship amongst 4. ( its, them, his ) citizens. For any economy, having a variety of businesses encourages competition and productivity and generates 5. ( wealth, wealthy, wealths ) which in turn contributes to the overall efficiency and health of the economy.

There are a 6. ( many, much, number ) of challenges to encouraging entrepreneurship here. Many Emiratis prefer to work 7. ( on, in, under ) the public sector. Government jobs are perceived as being more secure, and they offer a good salary and 8. ( benefits, beneficial, benefactor ). Public sector jobs are a good fit 9. ( whereas, while, with ) the family and the wider community, and the working environment is culturally familiar. Other challenges include the lack of funds to set up the business and an unwillingness to take a risk – after all, the business 10. ( might, will, must ) not be a success.
