An anecdote

One day, when I was seven, I didn't go to school because I was ill. I had a stomach-ache and a temperature. I went to bed. In the afternoon, I saw the doctor at the hospital and she gave me some medicine. At the hospital, I saw a poster about a drawing competition. I drew a picture of a boat and I won a prize! It was a computer game.

This is a story about a girl who was ill when he was (1) _____. She went to see a (2) _____. She gave her some _____. She (4) _____ and won a (5) _____ in a competition.
