Subject: What Club should I join?

Hi,

I need to join a Club at school. Wondering whether want to join the Dance Club, Home Science Club or Robotic Club, or perhaps another club?
What club should I join? And **Why**?

Let me know what you think!

Lynn

In about 80 words, write an email to Janna to give her some advice.

Use information below to answer the question. Drag and drop the correct sentence.

1	Through the club, your cooking and baking skills will improve
2	How are you? I hope you are fine.
3	Suggestions of Clubs you should Join
4	Hi Janna,
5	Besides you said you want to open a bakery or a restaurant one day. It's a good training for you as you are always feel hesitate or unconfident with your dishes and cakes.
6	I think that you should join the Home Science Club since you love cooking and baking.
7	Lynn@gmail.com
8	Janna@gmail.com
9	Furthermore, the training in the club can help you with new ideas and create new recipe from the training in the club.
10	That's all for now. Let me know what you think.
11	You are always imaginative and from the training I think you can wide your ideas on cooking and baking
12	Last but not least, you will definitely enjoy yourself joining the Home and Science Club.
13	Bye and take care.
14	Regards, Janna
