Megan Trainor – Just a Friend to You

Oh, oh, oh
Oh-oh-oh-oh

Why you gotta _____ me like that every time you see me?
Why you always making me laugh
Swear you're catching feelings
I _____ you from the start

So it breaks my heart
When you say I'm just a _____ to you

Cause friends don't do the things we do
Everybody knows you _____ me too
Trying be careful with the words I use
I say it cause I'm dying to
I'm so much more than just a _____ to you
Mmm, mmm, mmm

When there's other people around
You _____ wanna kiss me
You tell me it's too late to hang out
And you say you miss me
And I loved you from the start

So it breaks my _____
When you say I'm just a friend to you

Cause friends don't do the things we do
Everybody knows you love me too
Tryna be careful with the words I use
I say it cause I'm dying to
I'm so much more than just a _____ to you
You-oh-oh-oh-oh
You-oh-oh-oh-oh
