A holiday in Venice

My meeting finished late. I was very nervous.

I got a taxi. The taxi driver wanted to go fast, but there was a lot of traffic.

Sarah sent me a message. 'Where are you?'

I arrived at the airport very late. The gate was closed.

Sarah went to Venice. She sent me photos of the lovely hoteL

I had a meeting at work that afternoon. I told her: 'Meet me at the airport'.

I phoned Sarah. She was on the plane. I said, 'Go without me'.

She had a great time without me. She bought a lot of presents!

She told me on Friday morning. She wanted to give me a surprise.

My girlfriend, Sarah, booked a romantic weekend in Venice for us.
