INSTRUCTIONS: Read the instructions carefully and answer every exercise, you may use these online dictionaries: **www.wordreference.com** o **www.dictionary.cambridge.org**	

I.- Vocabulary for Technology. Choose the correct options.

1. Most of the computers use Windows, the _____ created by Microsoft.

2. When I use apps like *Waze* or *Google Maps*, to know the location they use the _____.

3. I _____ a new game called *Old settlers,* which is about history.

4. Mobile phones are the most used _____ in the current (actual) times.

5. Nowadays, you can find a lot of different _____, depending on your preferences, you can download them all!

6. Microsoft Power Point is a _____ you can use for creating very animated and colourful presentations.

II.- Read the following description and write "yes" what you can do with an old phone and with a new smartphone

I bought a new smartphone. I can connect to the internet with it and download tons of apps. Of course, I can make phone calls, but I can also play games, take pictures, and watch videos with it. With my old phone I couldn't do that, but I could do calculations and set alarms, and call people, which I can also do with my new phone. I could also take pictures with it, but in a really low quality.
I love it because it has a lot of memory and I can download tons of songs and listen to music all day!

Function	Old cellphone	New Smartphone
Connect to the internet		
Download apps		
Make phone calls		
Play games
