CONDITIONAL SENTENCES QUIZ
SECOND TERM

9TH

NAME: _____ **DATE:** _____

GRAMMAR

LIVEWORKSHEETS

I. Fill in the gaps with the corresponding verb in brackets using the Zero conditional.

A Day in the Life of Plants

Plants are incredible organisms that have adapted to their environment in fascinating ways. They are essential for our planet's ecosystem and have developed various mechanisms to survive and thrive. Let's explore some of the ways plants **1. _____ (react)** to their surroundings.

Firstly, plants need sunlight to grow. When sunlight **2. _____ (shine)** on a plant's leaves, photosynthesis **3. _____ (occur)**. During this process, plants **4. _____ (convert)** sunlight into energy, which **5. _____ (enable)** them to produce their own food. Without sunlight, plants **6. _____ (not be able)** to survive for long.

Secondly, water plays a crucial role in a plant's life. When a plant **7. _____ (receive)** enough water, it **8. _____ (absorb)** it through its roots. This water **9. _____ (travel)** up to the leaves, where it **10. _____ (combine)** with the energy from photosynthesis to help the plant grow.

Understanding these essential processes is key to appreciating the beauty and importance of plants in our world. So, remember, for plants, the zero conditional is a simple rule of life: if this happens, then that follows.

LIVEWORKSHEETS

II. Fill in the gaps with the corresponding verb in brackets using the <u>First conditional</u>.

The Exciting Adventure Ahead

Are you ready for an exciting adventure? Imagine you **1.** _____ **(go)** on a camping trip in the wilderness. Here's what you need to know to make your trip safe and enjoyable.

First, it's important to check the weather forecast before you **2.** _____ **(leave)** for your camping trip. If it **3.** _____ **(rain),** you **4.** _____ **(need)** to bring waterproof gear and extra clothes. If the forecast **5.** _____ **(predict)** clear skies, you **6.** _____ **(not have)** to worry about staying dry.

Next, when you **7.** _____ **(set up)** your campsite, make sure to choose a flat and dry location. If you **8.** _____ **(camp)** on a slope, you **9.** _____ **(risk)** rolling down your sleeping bag during the night. Additionally, if you **10.** _____ **(place)** your tent near a river, you **11.** _____ **(have)** access to fresh water for drinking and cooking.

Remember, the first conditional helps you plan and prepare for your camping adventure. So, if you follow these tips, you **12.** _____ **(have)** an amazing time in the great outdoors!

LIVEWORKSHEETS

III. Fill in the gaps with the corresponding verb in brackets using the <u>Second conditional</u>.
