Hush, don't .....

When you spit your venom, ... it shut I hate it

When you hiss and preach

About your new messiah 'cause your theories ..... fire

I can't find your ..... lining

I don't mean to .....

But when you read your ....., it's tiring

Enough is enough

I'm covering my ears like a .....

When your words mean ....., I go la la la

I'm turning up the volume when you speak

'Cause if my heart can't .....it

I'll find a way to block it, I go

If our love is running out of .....

I won't count the hours, rather be a coward

When our worlds collide

I'm gonna drown you out before I ..... my mind
