We Are Young

Give me / Live me a second I
I **feed / need** to get my story straight
My friends are in the **bedroom / bathroom** getting

higher than the Empire State
My lover she's **waiting / eating** for me just across the bar
My seat's been taken by some sunglasses

masking / asking about a scar, and
I know I gave it to you **drugs / months** ago
I know you're trying to **forget / target**
But between the drinks and subtle things
The holes in my **apologies/ reapologies** , you know
I'm trying hard to take it back
So if by the **wine / time** the bar closes
And you feel like falling down, I'll carry you home

Tonight, we are young
So let's set the **Word / world** on fire
We can burn brighter than the sun

Tonight, we are young
So let's set the **Word/ world** on fire
We can burn brighter than the sun

Now I know **that / than** I'm not
All that you got, I guess that I, I just thought
Maybe we could **mind/ find** new ways to fall apart
But our friends are back
So let's **raise / brise** a tab
'Cause I found someone to carry me home

Tonight, we are young
So let's set the **world / word** on fire
We can burn brighter than the sun

Tonight, we are young
So let's set the **world / Word** on fire
We can burn brighter than the sun
