Subject: My new school

Dear Grandpa and Grandma,

How are you? What's the weather like in Australia?

It's raining here in England! Well, I love my new school: it's called Eton. It's very famous and very old and it's got very strict rules. School starts early in the morning and we mustn't be late!

We've got a school uniform. We must wear a white collar, a white shirt, black trousers, a black waistcoat and a black tailcoat. Some pupils wear a white bow tie. We mustn't wear trainers or jeans at school and we mustn't use our mobiles in class, but life here is great fun!

See you!

Love from Thomas
