Tonight, tonight, got ..... to prove

Love's on the line, win or lose

Not gonna stop until the ..... ends

Pick you up, caught in a night

We hit the ....., I'm gonna make you mine

Pull you in tight, can you feel the heat?

Taking you to the beat, taking you to the ride

You and I, it's all we.....tonight

We lock the eyes, it's just begun

Two hearts start to ..... as one

Not gonna stop until the ..... ends

Young love, ... too soon

Two souls in a ..... room
