PROVERBS EXERCISE

Look before you leap.	United we stand, divided we fall.	A stich in time saves nines.
Action speaks louder than words.	A bird in hand is worth two in the bush.	Cut your coat according to your

Here are some of the proverbs that are used quite often. Read the meanings and drag the proverbs in the blue box to the grey box.

The meanings

1. Dealing with a problem immediately will save you extra work later.
2. It is what we do that matters, not what we say.
3. Buy things that you can afford.
4. It is better to accept something small than to reject it and hope to get something more later.
5. If we work together we can succeed. If we fight each other we will fail.
6. Always think carefully before you act.

1.
