Reading # 14

The sun and the wind

The wind started to blow as hard as he could.

The stronger the wind blew, the man held onto his jacket.

One day the wind asked to the sun: Who do you think is the stronger in the world?

They competed to make a man take off his jacket.

blow shine

Complete the sentences.

I am the sun

I am the wind

The sun shined and everything felt hot.

The sun won the competition.
