organisation management style company culture branch employees working environment company ethos perks application maternity/paternity leave

2 Read the paragraphs below written by people who work for different technology companies and complete the gaps with one of the words from Activity 1.

1 I love working for Microsoft. It's a great _____(1) to work for and my boss has a professional, yet approachable _____ _____(2). I'm based in the Abu Dhabi _____ _____(3) and there is a really relaxed _____ _____(4) within our office.

2 I work for Amazon and I've heard that the company now has over 300 000 _____(1). This seems like a huge number, but, of course, thousands of _____(2) are received every year from people wanting to work for one of the world's leading Internet giants. There are lots of _____(3) to the job, such as paid _____(4), private medical insurance and an employee discount.

3 My company – Samsung – is now the world's biggest smartphone manufacturer. It really is a very exciting place to work and I would describe the _____(1) as one of creativity, energy and passion.
