You really think being a manager would be any better?

We all sit there in rows

So why not move?

Anyway, I don't want to think about it any more.

but I think if I put a couple more years in

Is that a pool table?

Sure, we do a lot of work!

Man: So this is your office? Wow, it's really nice!

Woman: Yeah, typical tech company office, right?

Man:

Woman: Yeah. We have table tennis, too. Want a game?

Man: I can't believe this. Do you ever do any work?

Woman: Sometimes you just need to take a break and clear your head, you know?

Man: You're so lucky. You should see where I work.

Woman: You don't like it?

Man: It's just a cubicle farm. , no one talking to each other. It's miserable, actually.

Woman: With your background I'm sure you wouldn't have to look too hard to find something better.

Man: I've thought about it, , I could move up in the company. If I leave now, the time I spent will have been for nothing.

Woman: If that's how you feel about it, why would you want to stay?

Man: I hope so… How about that game of table tennis?

Woman: Alright, but I should warn you, I've been practicing a lot.
