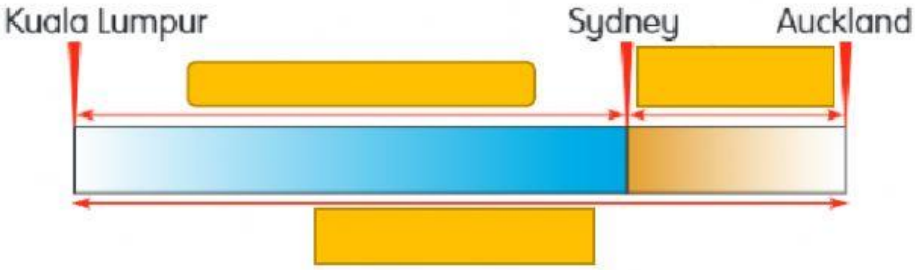
Siva is on a holiday in Auckland, New Zealand, with his family. They took a flight via Sydney, Australia. Calculate the total time taken from Kuala Lumpur to Auckland.

Given Kuala Lumpur to Sydney

Sydney to Auckland

Find

Method



8 hours 15 minutes + 3 hours 11 minutes =

8 hours 15 minutes
+ 3 hours 11 minutes

8 hours 15 minutes + 3 hours 11 minutes
=

What was the difference in the time taken from Kuala Lumpur to Sydney and from Sydney to Auckland?

Your answer:
