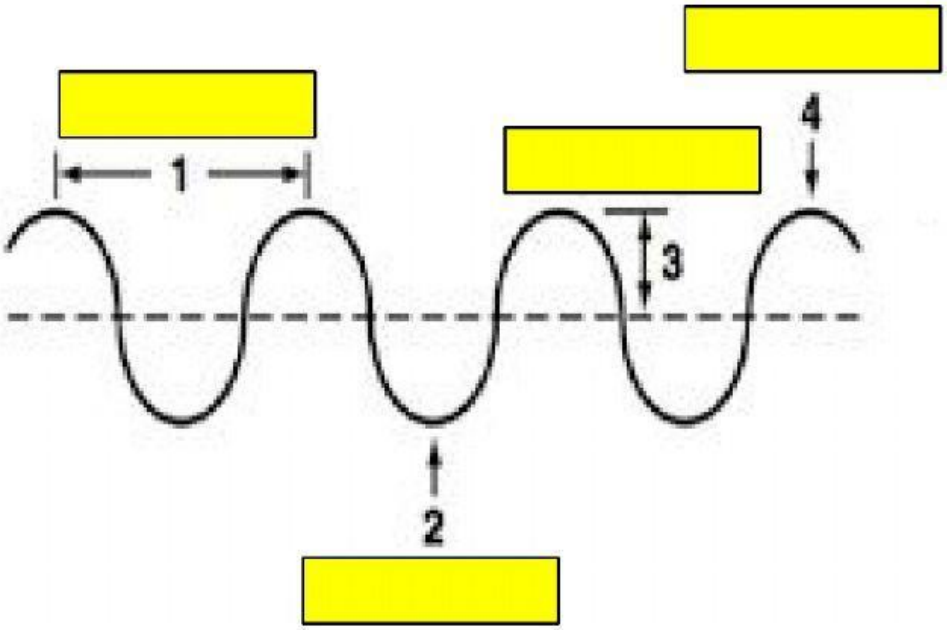
Science Book Section

6.1

Properties of Waves

FULL NAME: _____



- trough
- crest
- wavelength
- amplitude

Task 6

Alef lesson

#79

Apply

Science Book Section

6.1

Frequency	Wavelength

What is the relationship between frequency and wavelength? Build your answer.

of a wave	the number of waves that pass a fixed point in 1 second	the higher the frequency
the distance between 2 corresponding points on waves that are next to each other (adjacent)	measured in Hertz	The shorter the wavelength
