Making my choice to work toward or __(1)__ my college education far from home is a __(2)__ and difficult topic in my family because not everyone agrees. My family wants me to stay close to home and sometimes __(3)__ me for wanting to attend college so far away. I have to make a thoughtful and __(4)__ decision that everyone agrees with and that is not __(5)__ or too quickly decided upon. When I make my decision, I will go to a private and __(6)__ place where loud noises are __(7)__, like the library. Since I am a dedicated and __(8)__ student, I know that I will make the right choice and that my family will support me in whatever I choose.
