Go Ninth

Go _____

Those are the ordinal numbers

Cardinal numbers tell us how many or how much of something we have

numbers

For example,

this bag has ten cookies in it

Ordinal _____ tell us what position or place something is in

For instance, you might line up the cookies to eat them one at a time

Here's the first cookie

Here's the tenth, and last cookie

Those are the ordinal numbers

Those are the ordinal numbers

Those are the ordinal numbers

and they go just like this

Now you say them

First, second, third, fourth

fifth, sixth, seventh

eighth, ninth, tenth

Tenth
