## White Dove

**by Scorpions**

A place without a name
Under a burning sky
There's no milk and honey here
In the land of God

Someone ---------- a sign
It ---------- we are human, too
And while the sun ---------- down
The world ---------- by

White dove
Fly with the wind
Take our hope under your wings
For the world to know
That hope will not die
Where the children ----------

Waves, big like a house
They're stranded on a piece of wood
To leave it all behind
To start again

But instead of a new life
All they ---------- is a door that's closed
And they---------- looking for
A place called hope

White dove
Fly with the wind
Take our hope under your wings
For the world to know
That hope will not die
Where the children ---------
Na na Na na na na

Can anyone tell me why (can anyone tell me why)
The children of the world (the children of the world)
Have to pay the price (pay another price)

And now you're telling me
You've seen it all before
I ---------- that's right but still
It ---------- my heart

Well, the golden lamb we sent
Makes us feel better now
But you ---------- it's just a drop
In a sea of tears

White dove
Fly with the wind
Take our hope under your wings
For the world to know
That hope will not die
Where the children ----------
