2. Little John's Path Story

Little John lived in Elm Village. One day he went to look for Robin Hood. He left his home early in the morning. He walked south to a statue of King John. He went past the statue and walked to a lake. He stopped at the lake and rested as he watched the ducks. He walked around he lake and then south to the crossroads. He studied the signpost there and turned west to Sherwood Forest. He passed three tall pine trees. He walked on to the river. There was a tree trunk across the river. It made a good bridge.

Answer the questions.
