WRONG NAME, WRONG PLACE

Let's read a story about travelling. Then, we are going to discuss what happened and answer some questions.

India (24)

Last March, my boyfriend and I decided to go to Ibiza on holiday. My dad did me the favour to book our tickets. He needed my boyfriend's surname but he wasn't sure so he looked for him on Facebook. My boyfriend's name on social media is Adam West so he booked his tickets with that name.

Unfortunately, that's not my boyfriend's real name. His first name is actually Adam but the surname belongs to a famous actor that played Batman in a 70's TV show. Anyways, Armstrong is my boyfriend's real surname but by the time we realized there was a problem, it was too late. We phoned the airline to change the name on the ticket but they said it was impossible. We needed to buy another ticket and that cost $200.

However, changing your name in England is free and that's what he did. He only needed to change the passport and that cost only 110 dollars. That's crazy, right? But we went to Ibiza that summer.

Answer:

- **What do you think? Did Adam find a good solution?**
- **How much money did he save?**
- **What consequences might his decision have?**
- **What's the craziest thing it happened to you on holiday?**
- **Write a short paragraph telling your funny holiday story.**
