Umbrella by Rihanna

You _____ my heart
And we'll never be _____ apart
Maybe in magazines
But you'll _____ be my star
Baby 'cause in the dark
You can't see shiny cars
And that's _____ you need me there
With you I'll always share
Because…

When the sun shines, we'll shine together
Told you I'll be here forever
Said I'll _____ be a friend
Took an oath, I'ma stick it out till the end
Now that it's _____ more
_____ ever
Know that we'll still have each other
You can stand under my umbrella
You can stand _____ my umbrella

CHORUS: (Ella ella, eh eh eh) x4
Under my umbrella x3

These fancy things, will never
_____in between
You're part of my entity, _____ for
infinity
When the war has took it's part
When the _____ has dealt it's cards
If the hand is hard, together we'll mend
your heart
Because …When the sun shines, we'll
shine together
Told you I'll be _____ forever
Said I'll always be a friend
Took an oath, I'ma _____ it out till
the end
Now _____ it's raining more than
ever
Know that we'll still have each other
You can _____ under my umbrella
You can stand under my umbrella
CHORUS
You can run into my ____
It's okay don't be alarmed
Come here to me
There's no distance in between our love
So go on and let the rain _____
I'll be all you need and more
Because …When the sun shines,
we'll shine together
Told you I'll ____ here forever
Said I'll always be a friend
Took an oath, I'ma stick it out _____
the end
Now that it's raining more _____ ever
Know _____ we'll still have each other
You can stand _____ my umbrella
You can _____ /_____ my
umbrella
CHORUS
It's raining
Ooh _____ it's raining
Baby come here to me
Come here to me
It's raining
Ooh baby it's raining
You can always come here to me
It's _____ rain x2
Come _____ to me x2
