Title: Charlie and the Chocolate Factory
Author: Roald Dahl

What's the book about?

The book is about a boy called Charlie. His family is very poor — they don't have much money and they don't have much food.

There is a chocolate factory near Charlie's house. It is Willy Wonka's factory. Willy Wonka invites five children to visit the chocolate factory. The factory is amazing! One child wins a very special prize. Is Charlie the winner?

My favourite character:

My favourite character is Charlie because he is very kind. I don't like the other children because they are horrible!

My opinion of the book :

This book is great! I love the incredible chocolates and sweets in the factory.
