Music is a very important part of our lives. Music is for dancing, drinking, loving and communicating. Some songs remind US of our childhood or youth. Others remind us of the people we love. Many important occasions, like weddings and funerals have, special music. Every nation has a national song like the American "The Star-Spangled Banner". In the U.S., high schools and colleges have school songs, too.

Music is a part of the history of America. It expresses the problems and feelings of its people. As the years pass, the music grows and changes. Modem science has also changed music. Inventions like records, radio, movies, electric instruments, tape recorders and videos have changed the way we play and listen to music. They have helped to make music an important form of international communication.
