Blank Space

Nice to **meet/see** you, where you been?
I could show you incredible things
Magic, madness, heaven, sin
Saw/see you there and I thought
"Oh, my God, look at that **cake/face**
You look like my next mistake

Love's a game, wanna **play/say**?" Ay
New money, suit and tie
I can **read/buy** you like a magazine
Ain't it funny? Rumors **draw/fly**
And I know you **heard/ate** about me
So hey, let's be friends
I'm dying to **drive/see** how this one ends
Grab your passport and my hand
I can make the bad guys good for a weekend

So it's gonna be forever
Or it's gonna go down in flames
You can **tell/give** me when it's over, mm
If the high was worth the pain
Got a long list of ex-lovers
They'll **tell/forget** you I'm insane
'Cause you **go/know** I love the players
And you love the game

'Cause we're young, and we're reckless
We'll **know/take** this way too far
It'll leave you breathless, mm
Or with a nasty scar
Got a long list of ex-lovers
They'll **tell/told** you I'm insane
But I've got a blank space, baby
And I'll **write/wrote** your name

Cherry lips, crystal skies
I could show you incredible things
Stolen kisses, pretty lies
You're the King, baby, I'm your Queen
Find out what you **want/have**
Be that girl for a month
Wait/flew, the worst is yet to come, oh, no

LIVEWORKSHEETS

Screaming, crying, perfect storms
I can **make/made** all the tables turn
Rose garden **fill/filled** with thorns
Keep you second guessing like
"Oh, my God, who is she?"
I get drunk on jealousy
But you'll **came/come** back each time you leave
'Cause, darling, I'm a nightmare dressed like a daydream

CHORUS

Boys only **want/wanted** love if it's torture
Don't say I didn't, say I didn't **warn/warned** ya
Boys only want love if it's torture
Don't say I didn't, say I didn't warn ya
