THE BEATLES

RELATES

HELP ·	·So let it out and let it in, hey Jude, begin
YELLOW SUBMARINE ·	·Here come old flat-top, he come grooving up slowly
HEY JUDE ·	· Oh, yesterday came suddenly
COME TOGETHER ·	· You say goodbye and I say hello
YESTERDAY ·	· Help me if you can, I'm feeling down
HELLO,GOODBYE ·	· I should be sleepin' like a log
AND I LOVE HER ·	· So we sailed on to the sun
A HARD DAY'S NIGHT ·	·She is standing right in front of me
LET IT BE ·	· I give her all my love
