JUST MY IMAGINATION by The Cranberries

There was a _____ we used to play
We would hit the _____ on Friday night
Stay in _____until Sunday
We used to be so _____
We were living for the _____ we had
Living not for _____

Just my imagination
Just my imagination
Just my imagination
It was
Just my imagination
Just my imagination
Just my imagination
It was

That was the _____ I used to pray
I have always kept my _____ in love
It's the greatest thing from the _____ above
The game I used to _____
I've always put my _____ upon the table
Never be said that I'd be unstable

Just my imagination
Just my imagination
Just my imagination
It was
Just my imagination
Just my imagination
Just my imagination
It was

There is a game I _____ to play
I like to _____ the town on Friday night
And _____ in bed until Sunday
We'll _____ be this free
We will be living for the love we have
Living not for reality

It's not my imagination
Not my imagination
Not my imagination
It was
Not my imagination
Not my imagination
Not my imagination
It was
Not my
Not my
Not my
Not my
Not my
Not my
Not my
Not my
It was
