FAMILY THEME

- House on Fire -

Last Saturday, Harith was studying alone in his room. Suddenly, he saw thick black smoke from his neighbour's house. He noticed that they were not around. He was worried.

Without further delay, he told his father. His father grabbed the phone and called the fire station. Both of them were scared that their heart missed a beat.

The firemen arrived at the scene in the nick of time. Without any delay, they worked hard to put out the fire. Finally, they saved the house. The firemen praised Harith for his swift action. He felt proud of himself. (97 words)
