12G-Unit 6- Lessons 1-2

CB/ Activity 3

Listen to the interview again and classify these notes in the following table:

- No roads
- Cranes were brought from Scotland
- Train will run through the Emirates in the future
- Deep sea merchants anchored offshore and transferred their goods onto dhows to transport them to Dubai
- It will stop at schools, malls and other community areas
- Opening communication highways between Emirates
- Purpose-built containers were introduced

- Most cargo was stored on the sand awaiting collection
- It will be used also for transportation of goods and cargo between the UAE and the Middle East
- Single-lane routes, then two-lane highways
- Highways connect all the Emirates and other Gulf countries.

Sea	Road	Rail
