¿Qué crees que me pasó?

ANECDOTES

The anecdotes contain interesting stories.

Put in order the parts of the anecdote

	ending
	middle
	beginning

Ahora etiqueta los cuadros con que contienen fragmentos de los diálogos con *beginning/ middle/* en lugar correspondiente. El último ya tienes ya está colocado es: ending – es decir la parte final de la historia

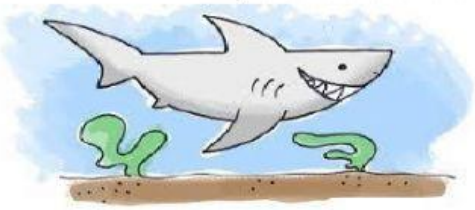
BEGINNING	MIDDLE
	I looked on the floor on the bench, in my backpack, and nothing. The teacher looked at me curiously and when she came to ask what was happening.
	Once, I was at school I had prepared for a very difficult exam I was very sure to look for them in my pencil case And when the teacher asked us to only take out a pencil and an eraser,
ENDING	I sadly told her that I had lost my pencil. She smiled, and pointed to my ear, I had put my pencil there.

My anecdote

Complete the lines with the correct verb from the box

started	scared	went	run

Last year I _____ to Cancun. My cousin was swimming quietly near the shore. When suddenly my father _____ yelling, shark, shark!!



He _____ off, screaming like crazy, that was funny, but it also _____ us.

In the end we realized it was a bag of garbage floating.

The next activity is the anecdote you listened in the pregame last week. Puedes ver una vez mas el programa de la semana pasada para que contestes el ejercicio. Este es el link: https://youtu.be/qtKFyqjS61Q
