Área Total do Cone

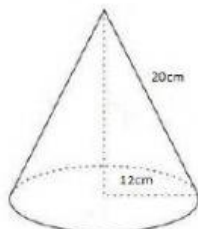

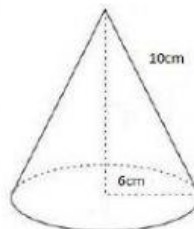

01) Calcule a área da base dos cones retos:

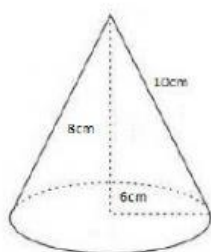

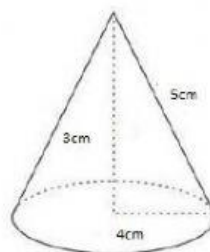

02) Calcule a área lateral dos cones retos:

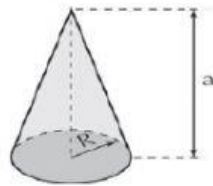

03) Calcule a área total dos cones dos retos:

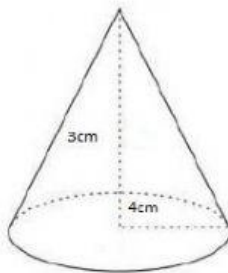

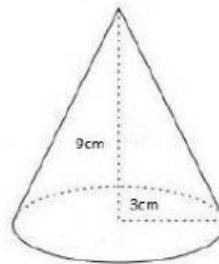

Fórmula do volume do cone

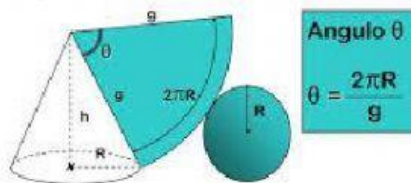

$$V = \frac{\pi R^2 \cdot a}{3}$$

04) Calcule o volume do cone:

Planificação do Cone Reto

05) Qual é o valor do grau no setor circular:
